

GIANTS WIN TWENTY-TWO CONSECUTIVE VICTORIES, ADVANCING PREVIOUS RECORD

(By Associated Press.)
NEW YORK, Sept. 27.—The New York Giants advanced their new record for successive victories another notch yesterday when they won easily from St. Louis for their 22nd consecutive time. They hit Watson and Williams hard, driving out 15 hits for a total of 22 bases.

The Cardinals hit Sallee fairly hard, but could not score after they had men on bases, and it required a double and two singles to score their only run in the fifth inning.

(By Associated Press.)
BROOKLYN, Sept. 27.—Brooklyn beat Chicago 4 to 1 yesterday, making it three out of four in the series, with one more to play today. Pfeiffer had the Cubs at his mercy, except in the third when Plack singled, Sallee walked and Williams singled Plack home. McConnell was wild and ineffective.

(By Associated Press.)
PHILADELPHIA, Sept. 27.—A ninth inning rally gave Philadelphia the victory over Cincinnati yesterday 3 to 2, and enabled the home team

to keep pace with Brooklyn in the fight for the pennant.

Kneizer had the better of a battle with Denaree for eight innings and the visitors led by one run until one man was out in the ninth. Then Cravath stretched an ordinary single into a double. Cooper ran for him. Chase knocked down Luderus' single. The ball rolled to Groh, who threw to Wingo to catch Cooper at the plate. Umpire Klem motioned that Cooper was out, but in sliding to the plate the runner knocked the ball out of Wingo's glove and the catcher's left hand was badly spiked. Umpire Klem then allowed Cooper's run. Luderus reached third on the play. Duguey ran for Luderus and scored the winning run when Niehoff beat out a bunt, Chase's throw to Huhn, who succeeded Wingo, being a trifle late.

(By Associated Press.)
BOSTON, Sept. 27.—Boston made it five straight from Pittsburgh yesterday, winning the first game 3 to 0 and the second 2 to 1. Nehf in the first game and Allen in the second pitched gilt edge ball for the Braves.

PREPARING FOR BOOM

(By Associated Press.)
BELFAST, Ireland, Sept. 27.—Belfast is preparing for a boom in shipbuilding after the war. Harland & Wolff's have just leased from the harbor board 41 acres of additional land at a cost of £2500 a year. Workman & Clark's are also increasing their shipbuilding shops. The congestion of building on the Clyde has also led to applications to the harbor board for accommodation in Belfast.

PLAN TO REFORM BRITISH METHODS

(By Associated Press.)
NEW YORK, Sept. 27.—Agents of American banks in London will be appointed members of a committee at headquarters there to co-operate with a committee of American bankers in an attempt to alleviate the British censorship of American mail and the British blacklist, says A. Barton Hapburn. The London committee, he says, will co-operate with the British censor and government officials in an effort to curtail the delay caused by censoring American business and banking mail.

PART OF MYSTERY IS NOW CLEARED UP

(By Associated Press.)
PHILADELPHIA, Sept. 27.—The woman who shot and killed J. C. Graveur of New York and seriously wounded his remane companion and then committed suicide at a leading hotel, has been identified as Mrs. Harry Belzer by a sister of the dead man, Mrs. Frances Apman. She came here to work for the purpose of identification. She said the woman had not been living with her husband recently. Graveur, she said, was a widower who had been very friendly with Mrs. Belzer. The wounded woman is at a hospital. She was at first supposed to be Graveur's wife. She has made no statement. Mrs. Apman will attempt to identify her.

MEXICAN POLICE ARREST BANDITS

(By Associated Press.)
MEXICO CITY, Sept. 27.—The police of Mexico City believe that with the capture recently of Ramon Cantell they have broken up a band of burglars and robbers which has terrorized the more prosperous residence districts of the city and which has taken loot said to amount to more than \$100,000. The band was known as "La Mano que Aprista," or "The Grasping Hand," from the black imprint of a hand which always was left somewhere about the premises where the robbers operated. It is believed many persons robbed feared to report their losses for fear of the vengeance of "The Grasping Hand."

MEXICO ESTABLISHES LIQUOR REGULATIONS

(By Associated Press.)
MEXICO CITY, Sept. 27.—Stringent regulation of the manufacture and sale of pulque, the principal strong drink of Mexico, is ordered by First Chief Carranza in a decree which has just been promulgated. The beverage is made from the juice of the maguey cactus. The new regulations double the tax on the bringing of pulque into towns, and require manufacturers of it to record with proper authorities all details concerning their business.
The decree provides that no factories may be established more than 40 kilometers from the town in which the product is to be sold. This is to insure that the pulque arrives quickly and in good condition.

**THE BETTER THE HOPS
THE BETTER THE BEER FLAVOR**

ANHEUSER-BUSCH have by many thousands of pounds more Saazer Hops in their giant storage houses than has any other brewery in Europe or America. Before the war our President, while abroad on his annual hop-buying pilgrimage, bought 775,000 pounds (1550 bales) of Bohemia's very finest Saazer Hops. To this add the 500,000 pounds we had on hand, and you will see that we can guarantee our millions of patrons that BUDWEISER will continue, as always, to have the same exclusive Saazer Hop flavor which has helped its sales to exceed any other beer by millions of bottles.
